The legalities and medical situation had to be brought to the attention of the House of Commons to have a final examination of the unwritten Constitution of the United Kingdom, and this Section of the Allurement of Reality explored the mechanisms for doing so. The proceedings are narrated as they happened.

Did the organisation miss any issues you raised in your complaint?

Yes

What?

I have been complaining to the Surgeries (former Wigmore Medical Centre) that It needs to provide me with full written reasons as to why I am diagnosed with paranoid schizophrenia, persistent delusional disorders, and now Bipolar. They are keeping silent.

Summary of Complaint

I have been Mental Health Care for diagnosis and treatment for over 20 years, having been sectioned twice and said to be suffering from persistent delusional disorder first. Then Britton House and its older Team decided that I had paranoid schizophrenia. On 9 September I received a letter in the post that I had Bipolar and delusional disorder. For paranoid schizophrenia I was prescribed risperidone 4 mg, sertraline 150 mg and Depakote 1000 mg but on receipt of this letter stating that I had Bipolar and not what was formerly diagnosed, my medications have not been changed to reflect that. I asked the Long Catlis Surgery why it had changed the diagnosis and asked it to provide me with their letter of referral to Britton House which had resulted in this communication from Britton House. The Surgery just said that my complaint had been sent to the relevant clinician, but despite this week being told that the GP would take action on it. Nothing took place.

For the record, I am neither paranoid schizophrenic with persistent delusional disorder nor am I Bipolar with delusional disorder. I consider myself to be the sanest person on Earth.

How you or the person you are complaining on behalf of has been affected

My employability in professional scientific careers have been shattered by these continuous incorrect diagnosis and treatment imposed on me for the past 20 years and is still continuing behind secrecy of operation at Long Catlis Road Surgery and Britton House. They are preventing me from having a face-to-face appointment with a fresh new Consultant Psychiatrist at Britton House to examine me.

What you are hoping we can achieve for you

I would like a second opinion on my mental condition as it is presently reflected from a face-to-face appointment.

Mediation

Is this something you are willing to do?

Yes

Will you be sending in your documents separately?

I would like the Ombudsman to look at my complaint.

I agree to share all the relevant evidence, including medical records, so that you can investigate this complaint under the Health Service Commissioners Act 1993

To the best of my knowledge, everything I have told you is correct

I understand that, to help resolve my complaint, you will need to use and keep personal information about me – for example, how to contact me and details about my complaint and sometimes sensitive personal information.

I understand that this might include collecting information about me from the organisation I've complained about and possibly sharing information with other parties – for example, others that may have been involved in my complaint.

I agree with the declaration. Please look at my complaint.

Please look at the complaint submitted on behalf of the person named in the "About the person you are making the complaint for" section. I have their written consent to complain on their behalf.

They have agreed that you can get all the relevant papers, including medical records, so that you can investigate this complaint under the Health Service Commissioners Act 1993.

They understand that this may mean that I am able to see personal information that you get for the investigation. Date submitted 09/10/202

Update:

Last Saturday the 8th of October, I had texted the Surgery Jane East about my Physical Health Check appointment as follows: 'Dear Jane, could this appointment be rearranged as I have some problem to sort out at 9.00 am on 10 Oct 2022?'

No reply has come from the Surgery

08.27 am (UK-Time) 10 October 2022

Update:

I took Rupa to her work reaching there at 9.10, and since I had not received a text back from Jane East, dropped in to the Surgery on the off chance that she could see me. I spoke to the receptionist and apologised for being late but that I had texted Jane on Saturday. She went inside to speak to Jane East and came back to tell me that she could not see me today and whether I knew that I had another appointment on the 24th of October. I said No, but had earlier heard my notification sound on the phone that I ignored. I said to the receptionist Let me jot down the time of the appointment, and she asked if she should send me a text to confirm. I said Yes please. As she was doing so, I checked for it only to see that 6 minutes ago there was a text from Jane East and a Phone Missed Call from a Private Number that I could not return:

Jane East's text read: 'Hi rescheduled for 24 October at 11.00 am. Only appointment available Thank you.'

I told the receptionist about it but she had already sent me a text as follows: GP Surgery: 'Dear Mr Panigrahi, As requested Your next appointment with Jayne East is 24-10-22 11am at Long Catlis Rd Surgery Thanks, Admin Team Long Catlis Road Surgery'

No emails have come on this Monday morning.

Hello Jo

I am moving forward like you say, expecting a pay-out now that Parliament has declined to get involved in my 25 years of State-organised persecution and victimisation for pursuing the University of Greenwich to secure my £55,000 redundancy payment. The Member of Parliament is not framing a Private Members Bill, nor processing the matter through a Select Committee, or even raising a Question in Prime Minister's Question Time. He said to me that I should take my case of complaint to the Parliamentary and Health Service Ombudsman directly and I did with a formal application Form, but I still ended up with continuing to take my risperidone 4mg, sertraline 150 mg and Depakote 10000 mg daily, and have to attend the Surgery for a Physical Health Check relating to these medications on 24 October 2022 at 11.00 am.

So my litigation for £5 million in damages and compensation continues at the Central London County Court on the appeal to set aside the following Court Order:

General Form of Judgment or Order

(b) The application dated 19 June 2021 of the Claimant to adjourn be refused.

(c) Today's hearing is merely to assess costs. The District Judge today has no other jurisdiction.

2. The Claim Form having been struck out, judgment for the Defendant.

3. Claimant shall pay the Defendant's costs assessed in total as £4,170 payable by 4 pm on 5 July 2021.

Mind, God and Brahman

in Spirituality

<https://www.knowledgeforworldconservation.com/forum/spirituality/mind-god-and-brahman>

To find God dig deep into your mind; to find Brahman give up your mind and await the truth to descend automatically to then slowly realise what is really there.

The mind is God, and God is mind. The deeper one goes into ones mind the most ideal form of God is visualised. Just as everyone has a different mind they therefore have a different God, such as Jesus, Krishna, Allah, Jehvah, Saraswati, Lakshmi and so on. The God are real to the people who wish to surrender to their God. Everyone's God is ideal for them. I called my God at the height of my material struggles as Sri Krishna, and later Sri Krishna-Durga because these names amounted to '7' according to the Hewbrew Chaldean Numerology that I was studying. But my God then Sri Krishna was not an ideal God, He did not answer a lot of my questions through the digital clock checking mechanism that I was using to communicate with him believing Him to be assisting me in my struggle to save my reputation in fighting a dharmayudha against those who were persecuting me. Reliance on Sri Krishna led me to be sectioned into the mental hospital on two occasions. the first in 2004 and the second in 2008, which depressed me. What kind of God would do that to someone who had surrendered. He then stopped responding and would not give me concrete proof that a scientist needs to ensure that he is dealing with a genuine Entity. So I decided to go it alone from 2015 and find my own way in life as a satya-advaitic yogi seeking for the truth on Reality.

Other people's God are their own business in that if it floats their boat they will continue to rely on their mind as this is the only source of a Personal God that that is accessible. So I concluded God is Mind and Mind is God.

Now if one wishes to be free of God like I was with mine, one has to lose one's mind for this is God, You lose your mind and see what happens. You go spontaneously, nonchalantly, and unpremeditatedly into the future. With the loss of mind you no longer have attachments, such as plans, objectives, missions, anticipations, expectations, wishes, hopes, desires and ego. You experiment with this approach to see that truth still comes to you. This truth at the end of my exploration descends on you from Brahman when you are at the Self mode of operation and you then find that your actions are perfect in aiding survival in dignity of liberty and with relative prosperity and a good name for those who wish to read your works.

So what is this Brahman: It is indescribable. Right now I cannot find any words in English language or any other language for it, so this word has to be continued with. Being the source of truth for those in the Self mode of operation, Brahman is something between Truth and Reality.

So yes God and Brahman are not the same. You can get rid of God by getting rid of your mind, but you can not get rid of Brahman even if you wanted to if you wish to live. You are then Brahman, truth and Reality so everything you say or write is the truth.

Dear Sirs

Is Clodes Solicitors acting on my behalf on this matter of criminal anonymous emails impersonating me through State-sponsored Cyber-attack?

I would be grateful if you would let me know one way or the other so that I have the opportunity to consult another Firm of Solicitors before I am victimised even more severely and tyrannically than has been the case hitherto.

Subject: Unmasking Nic at Medway CC and reviving J00ME572

Dear Geri and Orla my Night Angels from Clyde Co.

- in the matter of the newly resurrected Claim J00ME572 by me, following the overruling and disciplining of the crook Nic at Medway County Court Civil Claims Section.

Now it has been explained to me by Jo that you are trying to help me and that you agree your former clients Kent Police are the dirtiest of liars falsifiers and criminals presiding nonchalantly over a booming boisterous buccaneering crime syndicate, and that you repented your underhand conspiracy with Miss Nic the whore from Medway County Court at its Civil Desk, so I am over the worst of it now (I never said that before?!), for the nuances of Brahma-Nature in its interactions require one to be alert and aware of the perils of attachments to anything so that one can respond to developments in a calm and collected spontaneous tamasic manner.

I saw that in considerable detail and dealt with the tamasic elements of guna consciousness in my own manner to thwart the persecution from various quarters within the United Kingdom and beyond, and am satisfied with the outcome. I am still surviving here in the United Kingdom with my United Kingdom nationality and British passport still intact despite all the attempts by Kent Police to destroy my reputation as a sane and honest human being who never did anything wrong to the State of the United Kingdom or to a person or persons calling themselves under the umbrella of Victims of Panigrahi Association.

The Courts are powerless to investigate these matters in favour of the Claimant for the State is inherently tyrannical that cannot tolerate a libertarian spirit, would try to destroy his credibility in the eyes of the world by castigating him as a criminal or mentally deranged such that he deserves punishment by being locked up in a mental institution, except that that is not sufficient for the State authorities.

So long as I am alive and battling on or should I say battling on, the State will pursue me. This is why Kent Police has been ordered not to return our desk-top computer, my USB Memory Stick, Amazon Fire and my old Mobile phone. It keeps the State's options open to frame charges against me now that the Medway County Court has ruled that I cannot have J00ME572 reinstated and continued with to secure my well-deserved £ 3.5 million in damages and compensation for the 25 years of victimisation and persecution that it organised against me for taking on the University of the green witch (sadly for some now departed from this world after the damage she did to my career and prosperity). How on Earth can a Court decided that I cannot have my Claim reinstated by submitting

an appropriate Application Notice in civil proceedings is beyond me. It is as if the Shiva-Sugriva-Nature has got all its most tamasic guna consciousness creatures inhabiting the United Kingdom to thwart the progress of my litigation and my quest for mahasamadhi. Similarly, the utmost secrecy with which the East Kent Magistrates Court rejected my application for an arrest warrant against the Chief Constable of Kent Police two years ago, and that common prostitute Nic, who responds uncooperatively to enquiries.medway.countycourt@justice.gov.uk while deceitfully and cunningly using words for example on 18 February 2020 at 11:51:07am that she is "a Clerk of the Court or Court Officer" provided by my benefactor of Minster, Mr Robert White, which on careful reading is not an admission she is the Court Clerk, whose lack of response and even provision of a name so I can commence malfeasance and misfeasance proceedings against her for thwarting my litigation against her boyfriend Kubla Khan possiblynotarealdoctor90@yahoo.com who could be the same as Chief Constable Pughesley the CLP of Katrina For Sale, for me to revisit this case with all the evidence that I had painstakingly collected over 21 years shows that the Courts were all manipulated by the State Establishment, whether that is the Monarch or the Prime Minister it does not make the damndest bit of difference in an unwritten Constitution that the United Kingdom operates under. That is why I had described the United Kingdom as a Satanismus-evil State, much more evil than the United States of America who tag along under the concocted idea of special relationship

so that it can be allies in geo-politics that is all that matters to them, the people can go to hell as they are mere subjects not citizens with any human rights. It is all done and dusted Jo, I am going to see the nurse as you have pointed out and have the physical health check that the appointment is only about, it will not determine whether I am paranoid schizophrenic with persistent delusional disorder or Bipolar with delusions. As a Vishista-advaitin, I strive to determine the truth about all matters whether in the material world or in the spiritual world and I am not attached to anything. I reply to each and every email or communication by telephone that I receive. One has to be mad to be a Vishista-advaitin, practising satya-advaita which means truth-accommodation which to Westerner Janbhosadiwale is called Lying, is totally unregulated and free without inhibitions, and retaining one's spontaneity, nonchalance and unpremeditatedness of actions and see where all that leads to. Que Sera Sera.

I have been struggling to have sufficient time on my hands to determine the fullest comprehension of Reality and fortunately I have that. I will have no legal proceedings from now onwards either at Medway County Court, East Kent Magistrates Court, Central London County Court or in Parliament for justice delayed is justice denied. Period. Let Kent Police charge me now, I defy them. The United Kingdom will sink even deeper into the hole that it has dug for itself in terms of its international reputation to deny a Lingam-worshipping Hindu the right to practice his religion by continuous evil terroristic bombardment of about 25000 criminal anonymous emails to destroy his employability. So to come to your question of how the Samaritans can help me now at this point in my struggle for survival, you just cannot. As Dr Odesanya the Consultant Psychiatrist once told me, I have no powers. The Consultant Psychiatrists even Mumbo-Jumbo mumbling African Witch-Doctors like Mwanche have powers to incarcerate people if they so wish in mental hospitals, of force them to have mind bending medications without supervision in Secondary Care as they are not monitored for this criminality by the Parliamentary and Health Service Ombudsman as the ultimate regulatory authority for the National Health Service. The Consultant Psychiatrists, like the Police deputise for the Monarch in this Dictatorial Monarchy that presents a facade of civility to the outside world in order to go buccaneering for goods and services for their economy, which is all that is important to them.

If I survive here in my home with my websites and continuing autobiography of my life in the United Kingdom, I will continue to be a thorn in their backside. Because of me the wicked green witch Elizabeth has been made into food for worms and Boris Johnson and his predecessors thrown into the refuse tip of Westminster. Now I will start afresh with Charles III CR and Liz Truss, and if they fail

to accommodate me, I will take into custody their agents. That indeed is victory. If you fail to respond to this fact-finding and justice-dispensing

email, I will interpret it as your explicit consent on behalf of all those whose instructions you accepted and consented to and even requested the full reawakening and reinstatement of my J00ME572 proceedings against the madarchod suars and vermine insects for me to crush underfoot unpremeditatedly but with rajasic triumphalism.

If you later dispute this I will blog everything. As a Master Escapologist I rendered myself immune to any repercussions in law from any excessive language in this Statutory Demand that you acquiesce and obey my not-unlawful demands that the younger of you provides me with the fullest personal satisfaction as promised in the boilerplate of BLM Law incorporated into Clyde Co., that you are fully flexible in your provision of service. In your own words, you must COMPLY.

Is that all understood sufficiently? Your unresponsiveness means my patience with you is running out rapidly. Unlike Bob White, whose email has since been bastardised by trolls but I will send him a letter using the same envelope sent to me by Rehman Chishti MP who is capable of applying alternaria toxin to it to cause permanent disability, I will unhesitatingly visit your dens of thieves, be they Medway CC or ClydeCo., and apprehend and take into my custody those deserving of custody and interrogation. I would not hesitate even a second. I urge Geri to prepare for satisfying me for which flexible and may be enjoyable work she will be amply rewarded, with more than token commission to you Orla. It is not very different from your usual client service, so I cannot see what could be the objection. I will be the first Swami for Geri.

Yours sincerely

Advanced fee payment fraud

Thank you for your report to Action Fraud.

As previously noted, your report has been sent to the National Fraud Intelligence Bureau (NFIB) for review. If you registered an account with us when reporting online, you can track the progress of your report by clicking on "My account" and then "My reports" on the Action Fraud website: actionfraud.police.uk

In the meantime, here are some simple steps you can take to prevent yourself from becoming a repeat victim of other advanced fee fraud.

What is advanced fee payment fraud?

Advance fee fraud is when fraudsters convince victims to make advance or upfront payments for goods, services and/or financial gains that do not materialise. Once the criminals have received payment, they cease contact with the victim.

How to protect yourself from advanced fee payment fraud:

Scam messages: Don't click on the links or attachments in suspicious emails, and never respond to messages that ask for your personal or financial details.

Advanced payments: Unsolicited offers of large sums of money in return for a small upfront payment should always raise a red flag. Never respond to any requests to send money, or have money transferred through your account by someone you don't know and trust.

Payment method: Avoid payments via bank transfer as it offers you little protection if you become a victim of fraud. Instead, use a credit card or payment services such as PayPal.

What to do if you've been a victim of advanced fee payment fraud:

If you have made a payment: Inform your bank as soon as possible, they can help you prevent any further losses. Monitor your bank statements regularly for any unusual activity.

You could be targeted again: Fraudsters sometimes re-establish contact with previous victims claiming that they can help them recover lost money, this is just a secondary scam. Hang up on any callers that claim they can get your money back for you.

Unifying humanity

in Conflicts and Resolution

<https://www.knowledgeforworldconservation.com/forum/conflicts-and-resolution/unifying-humanity>

Arie Johannes Geurts Verstegen wrote on Facebook

Personal and cultural mass (ego) Identity is only individualistic separation from all other comparative human personal or cultural identities, always creating conflict. That is why Einstein taught that human separation is a false illusion: all humanity is one and part of the Universe, we are the Universe itself.

Many years ago i also referred to that same revelation myself by intuitively writing about it. So Albert E. in his third stage of spiritual evolution, recommends meditation to discover that already existing TRUTH in each human being. While Albert Einstein correctly reveals the first religious development stage of bible addiction, church going as a mass security dependency complex, as literally ! "infantile" and even "stupid" !. Hard provoking but true words indeed. Therefore i personally rather prefer to apply the words: "blinded by temporary innocent, naive ignorance", before experiencing the still hidden consciousness Cosmic Universe Awakening Truth.

Shantanu Panigrahi

Author

Arie Johannes Geurts Verstegen, There is a difference between the universe and the source and cause of the universe that is the indescribable Brahman. Humanity can only be one if all human beings identify themselves with that eternal Entity Brahman. If they do always operate from their minds which are all different in all human beings, there is bound to be conflict between human beings. The mind is not an illusion but is God and different people have different conceptions of God, so they fight among themselves necessarily for domination and supremacy like animals that are humanimals. Meditation is still a mental pursuit so trying to unify humanity under the same umbrella is impossible unless they have the same Personal God. And that requires vows as in Buddhism. Far simpler process for unifying humanity is for everyone to give up their minds and identify with the eternal Brahman in advaita.

I then soon afterwards forwarded the autoemail from Kent Police on to which I added the message from HMCTS to Duncan Lewis Solicitors copied to clode Solicors to cover both Law Firms and the Parliamentary Proceedings as well as the court proceedings (hindsight analysis, for the truth is that everything I did today was on autopilot).

 Subject: FW: Notice of Intended Prosecution: Notice Number 0463140442065920

Dear Kent Police

About Notice of Intended Prosecution: Notice Number 0463140442065920
 Date of alleged offence October 6 2022

My email address shantanupanigrahi@yahoo.com has been bastardised by criminal trolls who have also intercepted my letter mail and deliberately filled in the 172 Section Notice wrongly to cause maximal trouble and distress for me.

My daughter Rupa Panigrahi was the actual driver at the time, though she does not have a driving licence yet or insurance though was driving my car with my permission. Now that we have discussed the problem as a family and decided my wife Rashmi Panigrahi should be named as the driver and take the points. My daughter has started a new job at the His Majesty's Prison Service so cannot afford allegations. My wife has developed a pain in the side of her back and is seeking constructive dismissal so does not mind this.

You can see that the PDF sent to you by the malicious hackers who may be working for Orla Scanlan of BLM Law / Clyde Co. Solicitors is thus invalid, so please destroy it and send me as registered keeper another copy which I will fill up naming Rashmi as driver. I apologise for any trouble caused.

I can assume you are aware I have a pending counter prosecution against Driver Diversion for ten years relating to an earlier frame-up by Mrs Catherine Fothergill, CPU Driver Diversion Kent Police where I was criminalised over an incident of speeding where I admitted I was the driver but requested more time to gather the money to pay the fine which itself I did not argue with. This new provocation reawakens that matter where I am seeking £ 3.5 million in damages and costs.

I remind you of my instructions for you to destroy the PDF sent with the fake email below, and post me another where I will name my wife as the driver. I tried to do it online but it seemingly is impossible.

After the family discussion, we do not want a speed awareness course and irrevocably refuse an offer of one in advance and will also refuse a fixed penalty offer, because the buccaneering trauma of a full Court attendance and penalty points she will then get will be useful to her at the employment tribunal against the Department for Business, Energy and Industrial Strategy

because her back pain might well be made worse by the distress associated with threatened criminal prosecution. She was using the car in connection with her employment which is not expressly excluded in the terms of insurance with Liverpool Victoria.

There is no question of naming my daughter as the driver on 6 October, because as already explained she has not yet passed the practical section of driving test though it would be a formality for her as a regular car user.

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it could be at least six weeks before you hear from us, and at that stage, we may need to ask you for more information.

We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know. Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents. You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox. Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6806

Wolverhampton

WV1 9WJ

Telephone number 0300 555 0333.

We are open from 9am to 5pm from Monday to Friday. Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We are committed to making sure the way we work does not put you at a disadvantage so in addition to our legal duty to provide reasonable adjustments for disabled people, if you need any help or support, please tell us about it and we will do our best to meet your needs. We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

If you are requesting personal data under Freedom of Information or the Environmental Information Regulations or would like a copy of personal data under Data Protection please email infosec@legalombudsman.org.uk

Thank you for contacting the Independent Office for Police Conduct (IOPC). We are receiving a high number of enquiries and we will respond to your email within 10 working days. In the meantime, you may find the information below useful.

How to make a complaint

The quickest and easiest way to submit a complaint is via our online complaint form. We will send your complaint directly to the police force involved. The Professional Standards Department (PSD) for the police force will usually respond to your complaint within 15 working days.

Concerns with an ongoing complaint investigation

The IOPC has limited involvement in ongoing complaints handled by the police force's PSD. If you have an ongoing complaint being handled by the PSD and want to ask for an update, or express any concerns or criticisms, you should contact the PSD directly. Please telephone 101 for the PSD contact details.

The outcome of your complaint and right of review

If you received an outcome letter for your complaint, it may offer you the right to ask for a review. A review can only be considered by the relevant review body. Your outcome letter should name the relevant review body and tell you where to send a request for review. Please ensure any request for review is sent as soon as possible and before the deadline stated in the outcome letter.

Reporting a crime

If you wish to report a crime, you must report it directly to the police. If you fear for your safety or are in immediate danger you should ring 999.

If your email falls into one of the categories above or you have copied the IOPC into your email, you may not receive a response. However, if you have any more questions please contact 0300 020 0096.

We welcome correspondence in Welsh. We will respond to you in Welsh and that this will not lead to delay.

Rydym yn croesawu gohebiaeth yn Gymraeg. Byddwn yn ymateb i chi yn Gymraeg ac na fydd hyn yn arwain at oedi.

Thank you for reporting your concerns to us about solicitors.

We are now taking the time to carefully assess these, and we will also look at the regulatory information we may already hold to decide what we need to do next.

We will respond to you within the next 35-45 working days, sooner if we identify urgent problems that need our immediate response.

If we cannot help with your concerns, we will point you in the right direction.

Are we the right organisation?

We want you to raise your concern with the right people. Sometimes that is us. But other organisations may be best placed to help.

For example, if you have concerns about the professional service you have received from your solicitor, the right organisation to help is the Legal Ombudsman. Unlike us, it has powers to tell your solicitor to put things right, to pay compensation to you or reduce your solicitor's bill if it finds there has been poor service. More information about the Legal Ombudsman and how to make a complaint can be found at <https://www.legalombudsman.org.uk/>

For information on how we handle your personal data, see our privacy notice.

Please note the sender is not authorised to conclude any contract on behalf of the Solicitors Regulation Authority by email.

We are the regulator of solicitors and law firms in England and Wales. The Solicitors Regulation Authority Limited is a company limited by guarantee. Our registered offices are: The Cube, 199 Wharfside Street, Birmingham, B1 1RN. Our company registration number is: 12608059.

Subject: Distressed and suicidal

Dear Jo

I made no progress in relation to the huge pay-out that I expected, and am still on risperidone 4 mg, sertraline 150 mg, and Depakote 1000 mg waiting for the Parliamentary and Health Service Ombudsman to whom I had complained about the Mental Health authorities as you will note from the attached NHS Complaint form. printable.pdf.

I withdrew from the possibility of a job with Aldi in the arrangement made for an interview-assessment on Saturday 15th and 3.45 pm because of the delay in the correct diagnosis and treatment of my mental health, I had asked the PHSO for mediation with a view to having a face-to-face appointment with a Consultant Psychiatrist at Britton House, but the Surgery has not contacted me about the letter of referral yet. All I have got is an appointment with Jayne East who is a nurse on 24 October 2022 at 11.00 am

What am I to do?

As we are the final stage for unresolved complaints, we usually expect you to complain to the organisation you are unhappy with first. This is so that it has the chance to look into your concerns and, where needed, put things right for you. For further information please visit <https://www.ombudsman.org.uk/making-complaint/before-you-come-to-us>

What happens next?

If you have an existing case with us, your email will be added to your case and your caseworker will be in contact with you in due course.

If this is the first time you are contacting us, one of our Intake Caseworkers will take a look at your complaint.

If you have completed the organisation's complaints process and would like us to consider your complaint, we will need the following:

- A completed complaint form. If you have not sent us one, you can complete the NHS form online <https://ombudsman.achieveservice.com/module/home?>, or you can find our Parliamentary and Health forms (including large print format) on our website: [Complaint forms | Parliamentary and](#)

Health Service Ombudsman (PHSO) <https://www.ombudsman.org.uk/making-complaint/complain-us-getting-started/complaint-forms>

-The complaint made to the organisation (any letters, emails or complaints forms submitted for the complaint).

-The complaint response(s) from the organisation including the final response and any other correspondence relating to the complaint.

You can email these, or post them to PHSO, Citygate, 47-51 Mosely Street, Manchester M2 3HQ. Please do not send originals.

We will not usually be able to progress your complaint until you provide us with this information. Once we have received your completed form, we aim to get back to you within 14 days to explain what will happen next.

What to do if you cannot complete the complaint form?

You can contact us on 0345 015 4033 for extra support if you need help with filling in forms, need a different format such as Braille or if you need any further adjustments to help you get your complaint to us. We can also provide paper copies of the form.

If you have any questions or would find it helpful to speak with us in the meantime, please call us on 0345 015 4033. Our opening hours are Monday to Thursday 8.30am to 5.00pm, Friday 8.30am to 12pm

I deleted the email from my inbox before doing so.

12.09 pm (UK-Time) 13 October 2022

This morning an email came from Tide Bank at 10.30 odd prompting me to reply but I deleted it straightway from the gmail account. Another Indian moron sent a website/SEO type email that I also deleted.

I updated this book in Lulu Publishing, Global Foundation, Allurement Reality and internet archive then sent an email to the latest two solicitors copied to Central London Judiciary and East Kent Magistrates Court, as follows:

Dear Clodes Solicitors & Duncan Lewis Solicitors

I am a bit confused as to which element of my emails to Clodes Solicitors is being dealt by Clodes Solicitors and which element of my emails is being dealt with by Duncan Lewis Solicitors.

I am not satisfied that this litigation against the Prime Minister Elizabeth Truss at the Central London County Court on appeal of the attached Court Order: CentralLondonCountyCourtOrder 21June2021 (District Judge Lightman).pdf that seeks £5 million in damages and compensation from the UK Treasury for the 25 years of State-organised persecution and victimisation in relation to pursuing the University of Greenwich for my £55,000 in severance payment, and the associated private prosecution of the Prime Minister at East Kent Magistrates Court for State-directed criminal Hate Crime against me and my family is yet reached a conclusion. The following email that I received from an agent of the government is therefore to be discarded in your pursuit of the litigation.

Yours sincerely

Hello Shantanu

You might think you'd never fall for one, but scammers are constantly coming up with smarter and more believable scams.

Always scan for a scam. Search 'fraud and scams' on our website for more information.

Make money work for you

Things to look out for

Payment icon

Cost-of-living scams

Scammers might contact you pretending to represent energy companies, claiming that you're owed money and they need your bank details to send it to you. If anyone tells you this, hang up the phone, ignore any links in emails and don't give them your details. Energy companies will never call or email asking you for this information.

Your energy provider or the gov.uk website will have more information about The Energy Bill Support Scheme that the government is offering.

If you're struggling financially, please get in touch with us in your preferred way and we'll tell you what support we can offer.

Passcode icon

Sharing your one-time passcode can lead to card fraud

Fraudsters are calling customers, pretending to be Barclays or a trusted third party and claiming that, to identify the customer, they need a one-time passcode. They're asking for this passcode because they're using stolen card details to make a card transaction online. If you share your passcode in this situation, you could end up unknowingly helping a criminal commit fraud.

We'll never contact you unexpectedly and ask for your one-time passcode.

Card Fraud icon

Card fraud

Fraudsters have figured out ways to access bank accounts that aren't theirs, often by stealing cards or finding out a person's account details.

Set up payment alerts, check bills to make sure they're the right amount, and review your balance for unusual transactions to protect yourself from card fraud. Be careful when using a cash machine too – if it looks like it's been tampered with, don't use it.

Money icon

Money mules

Fraudsters are taking advantage of the recent cost-of-living increases by approaching people and offering quick and easy money – just for letting their account be used to move money. This could be tempting if you're feeling short of funds.

Fraudsters will ask for access to your bank account so they can move funds in and out of it, and tell you it's 'safe', 'risk-free', 'bank approved' or that you won't get caught.

This is a serious crime and makes you a money mule.

They're the criminal, but it's you who'll be caught money laundering and at risk of:

-

Going to prison for up to 14 years

-

Your bank accounts being closed

-

Difficulty getting loans, phone contracts or other credit.

Please don't share your app details with anyone or let them use your account. We'd never ask you to do this.

Anyone who does ask is a criminal.

We're here to help if you believe you've been a victim of a fraud or scam. You'll find the numbers you need on our website by searching 'report a fraud or scam'.

Update:

I did not reply as the actual Fraud matter has not been resolved, but telephoned Barclays Bank on the Main Number of 0345 7 345345, and spoke to a female official saying that I had not received the replacement debit card that Barclays was in the process of sending. She said it has not been sent yet, and whether I wished to cancel my debit card and receive a replacement card. I said Yes that is what I need for I cannot do online Banking without it. She said it would take 5 days for me to receive it as she ordered it. I then asked her for my balance on my Barclaycard Credit Card and how to pay off the debt each month or periodically. She arranged for a small amount of the £184 that was on debt soon and arranged a Direct Debit system for all future payments. The call ended. Very soon an email came from Barclays as follows:

I wish to officially lodge a complaint to the Charity Commission to follow up on the previous such complaint that I believe is still under investigation by the Commission. Recently I repeated to you my allegation that you were manipulating developments on behalf of the State, to which you did not have an answer.

But before I do so, as they are the final port of call against charities whose licence should be revoked for Charity status, I wish to give you a final opportunity to come clean and explain your conduct towards me in my struggle for truth and justice.

Please acknowledge this email immediately to avert action against the Samaritans.

Refer your useless email to me sent on Monday at 11.22 am.

Ever since the Anti-Defamation League, after some mixup, added me without my prior permission to their public list of Anti-Semites, I have on principle refused to have any dealings with Jews.

It is bad enough that HMCTS has so many moronic Muslims with whom I am compelled to deal in my quest for justice and clarification of the unwritten constitution of this country of morons in a police state. This could be the straw that broke the Chaldean back, so please without further procrastination reply -

are you a dirty Jew?

A small act of reparation would be if you could get Notice of Intended Prosecution Number 0463140442065920 cancelled on the grounds of the mental state of my wife who is the registered keeper and was the driver of the vehicle on the northbound A229 in the morning of October 5 2022 and who due to a mistake with multiple email addresses sent in the 172 form mistakenly naming me as the driver. I will appreciate this as a gesture of magnanimity on your part.

What is the sub-conscious mind ? It is where God resides dormant so one is taking inspiration from bhakti devotion indirectly

But it is not freedom. It does not give peace of mind. For that I through the same satya-advaitic process discovered the highest mental faculty of the atman that is free of the mind altogether and became the Self finding that survival needs truth to descend from Brahman the ultimate Reality, and not from God residing in ones psyche. That is total freedom to act nonchalantly, spontaneously and

unpremeditatedly in Brahman without thinking from the clutter and delusions of the mind. With the mind non-existent truth descends for Self-preservation for instant survival-oriented decisions. So from discovering that loss of attachments of the mind led to survival, now no-mind is superior to the same end but better in that it has generated cessation of suffering

Satya-advaita yoga has taught me that one makes the best survival-oriented decisions to act in one's sub-conscious mind that is free of all mental attachments

Adding further:

<https://www.knowledgeforworldconservation.com/forum/spirituality/truth-from-the-sub-conscious-mind-and-from-brahman>

It is incorrect to refer to Brahman imparted truth as Brahman Consciousness let alone Consciousness per se. Consciousness word is inappropriate when one is the Self as Brahman. One does not look for truth from Brahman, it just descends automatically whenever there is a need for that is advaita Self-preservation.

Mobile phone rang at 10.40 from the Parliamentary and Health Service Ombudsman. The long and the short of the matter is that the man said until I receive a written response from Long Catlis Road Surgery and Britton House separately, the PHSO cannot assist. I said that as soon as I get the written response I will contact you. He asked have you got an advocate to represent you. I said No I have tried that in the past and they are useless. I have been complaining to them for years and all they said was that the matter had been referred to the relevant clinician: that was 3 weeks ago and nothing has come since. The call ended.

Dear Sirs

I have been let down by Clodes Solicitors and Duncan Lewis Solicitors that Clodes Solicitors suggested may help me for some part of the issues that I needed legal advice and legal representation in connection with the appeal to set aside the Central London County Court Order of Judgment from HHJ Parfitt and District Judge Lightman as attached:
CentralLondonCountyCourtOrderonE35YM660dated19January2021receivedbyClaimantreceivedbyClaimantat 9.27am on 22 March 2021;pdf; and CentralLondonCountyCourtOrder21June (District Judge Lightman).pdf. A £100 court fee was paid on 23 June 2021 to the Court for this Appeal but the Court has not replied to me.

Is there anything DGB Solicitors can do for me?

Yours sincerely

General Form of Judgment or Order

In the County Court at Central London

Claim Number E35YM660

Date 19 January 2021

(The County Court Sealed)

DR SHANTANU PANIGRAHI 1st Claimant Ref
 MRS THERESA MAY – PRIME MINISTER OF THE UNITED KINGDOM 1ST Defendant Ref
 Z1819776/H019

Before His Honour Judge Parfitt sitting at the County Court at Central London, Thomas More Building, Royal Courts of Justice, Strand, London, WC2A 2LL.

On the Court hearing the Appellant but the Appellant withdrawing from the telephone hearing after making his submission and on the Appellant's request to reconsider the permission to appeal refused by HHJ Letham by Order dated 30 September 2019

IT IS ORDERED THAT

1. The request to reconsider permission is refused.
2. The Appellant's application was totally without merit: the DDJ's Order was wholly appropriate as a case management order and the stated grounds of appeal that the Appellant lacked access to legal advice was hopeless and the oral argument put forward that the DDJ was a liar acting as part of a conspiracy to silence the Appellant was absurd (both in its premise and in its substance – since the order under appeal gave the Appellant a final chance to make his particulars of claim good).
3. The Respondent's application for costs of the action must be referred to a DJ pursuant to CPR 3.5 (2)(a) and the Respondent's letter dated 13 January 2021 and two cost schedules contained in the Appeal bundle (in pdf format) shall be treated as application in that respect.
4. The Respondent's costs of the appeal are to be treated as Respondent's costs in the action.

Dated 19 January 2021
